

DANCE & ACRO UNIFORM FAQ

Where can I find the uniform shop?

Online at <https://doxaartsacademy.com/product-category/uniform/>

How do I know which uniform my child needs?

Upon registration, a confirmation email was sent with the class information and name. Or you can find this information in your parent portal.

For example, a child that's registered in **Acro+Dance 1 - Diamond** will do the following:

1. Go to the shop's website
2. Select Academy Uniforms
3. Select Acro+Dance 1
4. Select Diamond then pick a style of leotard and tights for the child's size.

I purchased a uniform last year, can we use it again?

1. Yes, IF your child is registered for the same class group as last year, they may wear the same uniform even if the styles for that class have changed.
2. Uniforms are done by color for each specific class. So if your child was registered for Pre-K Opal last year and is again registered for Pre-K Opal this year, you may reuse their uniform.
3. If your child was registered for Acro-Dance 1 Diamond last year but is registered for Acro-Dance 1 Sapphire this year, you will need to purchase the Sapphire class uniform.

How do I know what size to order?

Size charts are included with each uniform item.

Why can't I order shoes from the shop?

Dance shoes are not true to size therefore we do not encourage ordering based on street shoe size. Please come into the studio during the open hours to be fit for shoes for the child's class. We will place orders on Friday each week.

You can be fitted for shoes during our open house hours August 24th-Sept 4th. Just come see us on your scheduled class day and time during those two weeks and we'll be happy to help you order shoes and answer any questions.

Evening Class Shoe and Uniform Fittings:

August 24th - Sept 4th

Come during your class time

First day of classes Sept. 8th

How do we get the uniform?

An order will be placed each Friday. Upon arrival, we will notify you by email and you can pick up the uniform at the studio.

Why do I have to buy a uniform?

We have adopted uniforms for several reasons.

1. Increase the dance experience quality. We can spot more easily for acro, we can correct form and placement in dance, and clothing items don't distract dancers
2. Foster a sense of unity and belonging
3. Elevate our dancer performance to a higher level

Does my child have to wear their uniform every week?

No! A few times each semester we have theme weeks that are a blast! Costume Week, Christmas PJ Party Week, etc.. will be a 'free week'. Outside of those theme week class uniforms are required.

We already have dance attire.

We understand families have already invested in items for class over the summer, come from other studios where there is not a uniform, or have hand-me-downs and we know that isn't without a cost. Students are welcome to wear other dancewear during theme weeks.

Can I exchange sizes if the uniform doesn't fit?

Absolutely. We will be happy to help you exchange uniforms.

Are uniforms expensive?

As always, DAA strives to keep clothing items modest, appropriate, and cost-effective. We make a promise to never price gouge and have hidden fees. The pricing in our in-studio shop will always be affordable.
